

Introducing
The Briarwood

4,545 Sq. Ft. | 5 Bedrooms - 3.5 Baths - 3 Car Garage

One of the first six Carbon Neutral Homes in Wisconsin, all built by Tim O'Brien Homes!

Welcome to The Briarwood, an impressive Modern Prairie style home that artfully balances luxury with practical family living. This distinguished home features a welcoming covered front porch and convenient 3-car garage.

Step inside to discover a versatile flex room perfect as a professional home office, serene study, or sophisticated sitting area. The well-designed main level includes a conveniently positioned powder bath, laundry room, and private primary suite. This sanctuary features an upscale bedroom, spa-inspired bathroom, and bonus sitting area perfect for quiet moments.

The heart of The Briarwood showcases an expansive great room that opens into the gourmet kitchen and bright dinette. This central gathering space opens to a beautiful deck, seamlessly blending indoor comfort with outdoor enjoyment. Upstairs, three additional bedrooms, a generous family room, and bonus deck provide personal space for everyone. The impressive finished lower level completes this extraordinary home, featuring a custom bar, recreation room, exercise area, and fifth bedroom ideal for guests or extended family. The Briarwood is designed for comfortable, refined living in one of Menomonee Falls' most desirable neighborhoods: a place made for lasting memories.

As Wisconsin's leading high performance homebuilder, Tim O'Brien Homes constructs single-family homes in Madison and Milwaukee with a focus on positively impacting lives. Our dedicated team works hand-in-hand with homeowners to create dream homes, prioritizing open communication, thorough education throughout the process, and unwavering attention to detail.

Tim O'Brien Homes has established itself as the go-to homebuilder for an extraordinary experience, delivering high performance homes that excel in energy efficiency and indoor air quality. We have received the Housing Innovation Award from the U.S. Department of Energy for six consecutive years, recognizing our leadership in these areas. This commitment has earned us a ranking among the **top 1% of builders nationwide**, certified by the U.S. Department of Energy.
